How much do you find the underlying meanings of you and your mate's name compatible?

The detailed meanings behind your name:
English feminine form of Aemilius (see EMIL). In the English-speaking world it was not common until after the German House of Hanover came to the British throne in the 18th century; the princess Amelia Sophia (1711-1786) was commonly known as Emily in English, even though Amelia is an unrelated name....
